

This month Business spotlight

This month's business spotlight is on Smitty's Surgical Specialties

Mike Smith has owned Smitty's Surgical Specialties since 1985. Smitty's was located on Sutherland Avenue many years ago, and will have been at its current location on Middlebrook Pike for eight years in October of this year. Smitty's is a family-owned business. Their business does not bill insurance, so they are not affiliated with medical insurance companies. Smitty's sell all types of medical supplies to physicians, businesses, churches and the community. Smitty's has medical supplies from first aid kits, personal protection gloves, isolation gowns, hand sanitizers, medical masks, stethoscopes, diabetes supplies, blood pressure monitors, wheel chairs and more. You can visit Smitty's Surgical Specialties at 2010 Middlebrook Pike, Knoxville, TN 37921, across from Thompson Photo Products, or you can contact the business at 865-546-2077 or by (fax) 865-525-7849.
